English Breakfast

A blend of malty Assams, fully flavoured Ceylon, and African teas – a traditional favourite.

Gunpowder

Gunpowder green tea gets its name from the appearance of the leaves which are rolled tightly into pellets. This China green tea is low in caffeine and rich in vitamin C.

Native to Europe, Chamomile tea is best known as a cure for insomnia and tension as it has a relaxing and calming effect.

Chai

Chai is such an important part of India's social custom that they have "Chai Wallahs" who oversee the brewing of the drink. Chai tea is an exotic blend of Indian black tea and spices.

Earl Grey

An aristocratic classic, Earl Grey is a light tea, pale gold in colour, and flavoured with a delicate oil of citrus bergamot fruit.

Peppermint

Refreshing peppermint tea contains the active ingredient menthol which promotes better digestion. Peppermint tea also contains B vitamins, calcium, and potassium.

Lemongrass & Ginger

A refreshing caffeine-free herbal tea infusion with a lemon-type flavour and a hint of spiciness.

Iced Tea
